WHEN PERFORMANCE MATTERS MOST ™

# BMP™41 Label Printer

*One and done*

The BMP™41 Label printer is a rugged, **portable solution** that gives you the versatility to create die-cut or **continuous labels up to 25 mm wide**, anywhere, anytime! Whether you are faced with your jobs for the day or one-off tasks, the BMP™41 printer is the **one device for all your labelling jobs** - from wire marking and general ID to multi-area labels such as patch panel, terminal block and more.

**Print it once, print it all, get it done!**

## Built to be rugged in any environment
- Drop-tested printer with rubber corner bumpers provide optimal protection and security from falls and wear and tear conditions
- Ergonomic, center balanced printer with grab and go ridged grip for easy handling
- Long life rechargeable battery allows printing on the go and decreases the need for frequent charging
- Prints up to 250 labels per day for higher volume printing

## Designed to be easy
- Large LCD backlit display provides clear visibility
- QWERTY keypad, graphics library, hot keys and menu functions for fast label creation
- WYSIWYG functionality means you can see what you are printing – you'll only need to print once
- Magnet accessory for hands free printing

## Engineered long lasting material quality
- Prints durable true-sized 25.4 mm wide identification to maximise amount of data on your label
- Take pride in your work with die-cut materials that make your job look uniform and professional or use a continuous material if you need to adjust the length of the label
- Fulfill your requirements with up to 10 different industry specified materials that last

## Advanced all-in-one cartridge system
- Smart Cell Technology means your label format is automatically set up with no calibration
- Correct ribbon match for optimal print permanence
- Easy storage, transport and use of multiple cartridges
- Quick and easy to change supplies, just pop in the needed cartridge
- Pull tab on cartridge allows for one handed removal when changing supplies

Prints for a variety of applications. Key applications include wire marking, sleeving, panel labelling, terminal block, patch panel, general identification and more!

## Printer Part Numbers

| Article No. | Order Reference | Description |
