Wall Rack Cabinet Sealing and Filter Kit *HWCF Series*
For use with the HWC Series

When you need to install a **HWC Wallmount rack cabinet** in a dusty environment we have a convenient kit that includes everything you need. The HWCF is designed to achieve an IP50 level of protection from dust filtration and protect your equipment.

The kit includes:

- Twenty-five (25) feet of cut-to-length foam gasket.
- Qty four (4) of the **XPFA120BK** filter fan grills.
- Qty six (6) of the **DNFPBK1** fan cover plates.
- Qty one (1) of the 6" x 16" magnet panel to cover other holes.
- Also includes mounting hardware and hole plugs.

Need active cooling? Add the AVFK or DNFK to your bill-of-materials.

Cabinet sold separately.
