

## Specification Sheet

Part Number: PP24SMOD6AS

Category 6A 1U 24 Port Sliding Shielded Patch Panel, 1/box

**Article Number**

853-55003

**Type**

PP24SMOD6ASRS

**Features & Benefits**

- Integral earthing plate grounds each keystone jack helping to guarantee 10G performance by giving continuity of the 360° shielding.
- Rear cable management incorporated in the panel.

**Product Description**

HellermannTyton's Category 6A shielded patch panels accept HellermannTyton Shielded Category 6A jacks\* (RJ45FC6AS) to complete a shielded system solution. The panel provides a choice of ground stud positions on the integral grounding bar and includes rear cable management. Panels are offered in two styles, a fixed version or a sliding version to ease installation. \*Jacks are ordered separately
