

Designed with two open-ended wrench heads and an oval hole for turning pole steps, this lineman's wrench is perfect for telecom and datacom work applications. This lineman's wrench features the following:

- Large end of the wrench accommodates 5/8" and 3/4" bolts to NEMA standards
- Small end of the wrench accommodates 3/8" bolts, 1/2" bolts, and 1/2" drive screw heads to NEMA standards
- Faces of the wrench openings are offset to provide handle clearance
