**Part Number:** [1301080104](#)  
**Status:** **Active**  
**Overview:** [Wide-Area Lighting Products](#)  
**Description:** Super-Safeway Twin Tube 160W Fluorescent Work Light 4 Lamps with 16/3 SJTW Feed Thru 7.62m (25.0') Cord Length

**Documents:**

[RoHS Certificate of Compliance \(PDF\)](#)      [Product Literature \(PDF\)](#)

**Agency Certification**

CSA                      LR85374  
 UL                      E174254

**General**

Product Family                      Portable Lighting  
 Series                      [130108](#)  
 NEMA Configuration                      NEMA 5-15  
 Outlet                      Feed-Through  
 Overview                      [Wide-Area Lighting Products](#)  
 Product Name                      Super-Safeway  
 Type                      Wide Area Lamps  
 UPC                      78678813034

**Physical**

Cord Length - Primary                      7.62m (25.0')  
 Cord Length - Secondary                      0.152m (6.00" )  
 Depth                      190.75mm (7.510")  
 Duty                      Industrial  
 Guard Included                      Yes  
 Guard Type                      Clear Butyrate  
 Height                      82.55mm (3.250")  
 Length                      1.39m (54.620")  
 Material - Guard                      Butyrate  
 Mounting Style                      Straps  
 Packaging Type                      Carton  
 Socket Construction                      N/A

**Electrical**

Bulb Type                      Fluorescent  
 Cord Type - Primary                      16/3 SJOW  
 Lamp Type                      PL-L 40/41  
 Lamp Wattage - Maximum                      160W  
 Lumens                      12600  
 On/Off Switch                      No  
 Voltage (Fixture) - Maximum                      120VAC 60 HZ

**Material Info**

Engineering Number                      1061-PL
