Innovators in Illumination

## LV2000

### Exclusive ESD Safe High Intensity Dimmable LED Ring Light

**NEW!!**

- Newly Developed, Next Generation of Long Lasting Surface Mount LED Technology
- Instant On with Zero Flicker
- Fully Dimmable From 0 -100%
- Energy Star Compliant
- Exclusive Replaceable LED Array
- Auto Switchable 100-240v with World Wide Approvals
- Providing Superior Light Output with Less Heat
- ESD Safe

### Are You Tired Of...

*Continually Buying Replacement Bulbs??*

*Sacrificing Longevity for Performance??*

*Cluttering Your Bench with a Clumsy Control Box??*

### The LV2000 is the Answer!

✓ 5 Years / 50,000 - 100,000 Hours Under Normal Use

✓ No Replacement Bulbs Needed.... Long Life LED Array

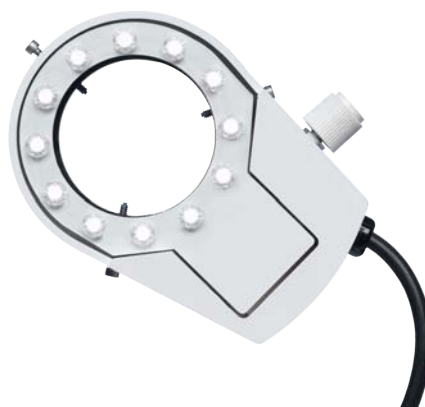

✓ No Control Box ... Frees Up Work Space

**RoHS**  
COMPLIANT

**Did we mention you can save roughly \$5,000 over the life of the product (bulb replacements and electricity), versus a 150w Fiber Optic???**
