

Raspberry Pi 3 B+ Essentials Kit

A Raspberry Pi 3 B+ and all the essentials. This bundle includes the Raspberry Pi 3 B+, Pibow Coupé case, 16GB NOOBs microSD card, power supply, and a sticker!

The microSD card is even pre-imaged with the latest NOOBs so it'll boot up right away.

Kit includes

- Raspberry Pi 3 B+
- Pibow Coupé red case
- 16GB NOOBs microSD card
- Official Raspberry Pi 2.5A PSU
- Raspberry Pi sticker

The Raspberry Pi 3 Model B+ is the latest generation Raspberry Pi with a 1.4GHz quad-core processor, 1GB of RAM, dual-band 802.11ac Wi-Fi, Bluetooth 4.2, and 300Mbit/s ethernet. Just hook everything up to your TV or a HDMI monitor and away you go!

Please note: the microSD card comes in an SD adapter so it's compatible with older Pi models and most card readers
