

Small-parts storage cabinets

The organization and storage of small components is easy with these quality design bin cabinets and bins. A single cabinet holds up to 60 different crystal-clear, transparent bins in which even the smallest parts are easily accessible. The robust frame is able to withstand wear, and the well-thought-out design of the bin cabinet makes it suitable for use in even the most demanding industrial and technical environments. Choose the bin cabinet that is right for you, and as many bins as you need.

- The bin cabinets include the frame and see-through small-parts bins with labels
- Two sizes, many different bin combinations to choose from
- Can be placed on a benchtop, mounted on a wall or a trolley, or stacked in a turntable unit
- The back of the bin cabinet has holes for mounting
- See-through bins with wavy bottoms enable good visibility and easy picking of products
- Side-to-side and front-to-back dividers are available as accessories
- Models with ESD protection are also available
