

## Power Extension Cord, NEMA L5-30P to NEMA L5-30R- Heavy Duty, 30A, 125V, 10 AWG, 15 ft., Black, Locking Connectors

MODEL NUMBER: P046-015-LL-30A

Heavy-duty extension cord connects your computer or other device with a NEMA L5-30P plug to a NEMA L5-30R outlet.

### Features

**Heavy-Duty Extension Cable for Network Devices That Require a Heavy-Gauge Connection** This cord features 10 AWG wire suitable for high power connections, making it a reliable solution for large server applications that require a higher-rated, heavier-gauge cable. It can be used to connect a computer, server or other device with a NEMA L5-30P plug to a wall outlet, PDU or UPS system with a NEMA L5-30R outlet. The 15-foot length allows you great flexibility in placing equipment with respect to the power outlet.

**Locking Connectors Help Prevent Accidental Disconnection and Expensive Downtime** Having a cable come loose accidentally can mean the loss of power and costly downtime. Locking connectors on each end help you avoid such danger, protecting critical equipment by maintaining a secure link without failure. The locking cable is also invaluable when moving equipment in a rack or removing equipment from tight areas, ensuring the power cord always stays connected.

### Highlights

- Recommended for powering computers, servers and other network devices
- 15 ft. length allows great flexibility in placing devices in relationship to AC outlet
- Heavy-duty cord replaces or upgrades standard power cord provided by manufacturer
- Thick 10 AWG wire gauge manages high power levels required for larger equipment
- Locking connectors maintain secure link to avoid loss of power and costly downtime

### Applications

- Connect devices like computers, servers and monitors to a PDU in your data center
- Extend an existing power connection up to 15 ft. to more easily place a device or reach a power source in a rack
- Update or replace the standard power cord provided by a device's original manufacturer

### Package Includes

- P046-015-LL-30A L5-30P to L5-30R Heavy-Duty Extension Cord, 15 ft., Black, Locking Connectors
