SATA to LP4 Power Cable Adapter - 7-Pin (Male) to LP4 (Female), 20 in.

MODEL NUMBER: **P948-20I**

SATA to Molex LP4 power cable adapter connects a slimline SATA hard drive to a controller or motherboard SATA port.

Features

SATA to LP4 Power Cable Supports Data Transfer Speeds up to 6 Gbps This LP4 to SATA power adapter connects your slimline SATA drive to a standard SATA controller or motherboard. The 20-inch cable features a slimline 15-pin SATA data/power connector on one end and a standard 7-pin SATA data connector and 4-pin Molex LP4 power connector on the other end. The narrow-profile cable helps reduce clutter inside the computer or server housing, which also increases airflow needed to help cool the equipment.

Highlights

- Connect a slimline SATA drive to a controller or motherboard equipped with a SATA port
- 20 in. cable features 7-pin and 15-pin SATA data and power on one end
- Supports data transfer speeds up to 6 Gbps

Applications

- Add a slimline SATA drive, such as a CD/DVD drive, to the SATA port on your controller or motherboard

Package Includes

- P948-20I SATA to LP4 Power Cable Adapter - 7-Pin (Male) to LP4 (Female), 20 in.
