

ACS724 Current Sensor Breakout 20A (DC)

Item number: 201875-004

This is a breakout with the ACS724 current sensor from Allegro MicroSystems.

Category: **Current**

- band with: 120 kHz
- typical error of less than 1.5%.
- internal resistance is typically 1.2 mOhm
- resolution: 66mV/A
- Sensor: ACS724LLCTR-30AB-T
- supply voltage: 5,0V
